## Rosso del Palazzone

NV

### Tasting Notes:

Grapes in our Vino Rosso come from the same vines that produce our Brunello DOCG, and receive equal attention and benefit from several green harvests and selections in the vineyard. The grapes are picked by hand, usually at the beginning of October. This versatile wine is an excellent wine “a tutto pasto” i.e. suited to all courses, in particular vegetable soups, cheese and first and second courses featuring red meat. It has a remarkable price:quality ratio.

## Brunello di Montalcino Riserva DOCG

Current Vintages:

2010: 95 WE, 95 JS, 94 WA, 94 WS

### Tasting Notes:

The colour is light bright ruby. The nose is an enticing exercise in potential; tight to begin with but the inescapable impression of whole families of aromas waiting to burst out. It combines pulizia with brilliance and an exciting sense of length and depth; elusive vegetal notes, our trademark liquorice and violet with an inkling of dark chocolate and just a tiny hint of caramel. Pinpoint acidity gives it mouthwatering succulence and juicy vibrancy. It is structured and complex with integrated anchored tannins and a lingering multi-layered finish.

## “Lorenzo & Isabelle” Toscana Rosso IGT

Current Vintages:  
2013: 90 WA

### Tasting Notes:

The wine is deep dark red. The bouquet shows intense red and black fruit with an abundance of dark cherries. Tertiary notes of cigar and spice reveal all the prettiness of Cabernet Franc backed up by the rigor and austerity of Montalcino. Lorenzo & Isabelle is elegant, juicy, complex and polished; a fitting homage to its namesakes.
