

Umbria Grechetto IGT

Current Vintages:
2017

Tasting Notes:

Already at the sight, the wine promises freshness with its pale yellow color and greenish hues. It opens with varietal aromas of pear, hazelnut, elderberry and hawthorn; it plays more on drinkability than complexity.

Food Pairings:

Perfect match for appetizers, cold dishes and hors d'oeuvres; thanks to good acidity it is a good pairing with shellfish and mollusks.

Region

Umbria

Appellation

Umbria Grechetto IGT

Varietal(s)

100% Grechetto

Fermentation

20 days with stainless steel

Aging

2 months in stainless steel

Training System/Vineyard Management

Manual Harvest in small cases

Soil

Calcareous soil with good mix of clay

Montefalco Rosso DOC

Current Vintages:
2014

Tasting Notes:

Bright ruby red color, it opens with hints of blackberry and cherries, passing then over to more evolved scents of chocolate and aromatic herbs. Dry, soft, with exceptional tannins. A well balanced wine that ensures an elegant drinkability.

Food Pairings:

Perfect with grilled meat or medium-aged cheeses.

Region

Umbria

Appellation

Montefalco Rosso DOC

Varietal(s)

60% Sangiovese, 30% Merlot, 10% Sagrantino

Fermentation

22 days maceration in stainless steel

Aging

20 months in stainless steel, 4 months in bottle

Training System/Vineyard Management

Manual Harvest in small cases

Soil

Calcareous soil with good mix of clay

Montefalco Sagrantino DOCG

Current Vintages:
2014

Tasting Notes:

Deep ruby red color that lessens on the rim; blackberry notes open the olfactory test, which turns in the final to spicy aromas. On the palate, you feel the still young but well balanced tannins thanks to the considerable glycerine mass.

Food Pairings:

For roasts and aged cheeses as well as targeted combinations with many recipes inspired to this wine, such as "stracotto al sagrantino".

Region

Umbria

Appellation

Montefalco Sagrantino DOCG
